Lobby Kiosk

We utilize our SR kiosk enclosure for the **Free Standing Lobby** and **Booking kiosk**. The SR design is both aesthetically appealing and durable. The Tiny Form Factor computer is mounted to the monitor for easy servicing. The printer paper can be changed in seconds. We have a stainless mount for the MSR to protect the front graphic. Dual front door locks and uniquely keyed interior vault locks provide security. The touch screen is reach compliant for wheelchair access.

SR Dimensions

• Base (W)-25"
• Base (D)- 16.5"
• Height-59.5"
• Weight-150 lbs
• Wgt. (Booking) 165 lbs

Standard *Lobby/Booking* Components:

• 19" Touch Screen
• Windows CPU
• 1200 Note Bill Validator
• Magnetic Stripe Reader
• 80 MM Printer
• Custom Designed Graphics
• Locking Cash Door
• Surge Protector
• Camera (No Charge Option)

Booking / Intake

We have (3) styles of intake kiosks. The Free Standing model adds a coin validator to our lobby kiosk Our **Desk Top** version has the same functionality in a compact form factor. The third version is our **Vault Kiosk**. The vault must be cabled to a user desk top computer and printer.

Standard *Desk Top* Components:

• 10" Touch Screen
• Windows CPU
• 1200 Note Bill Validator
• Magnetic Stripe Reader
• 80 MM Printer
